

5 Bedroom Villa For Sale in Loulé (São Clemente)

Ref: P83

Nestled between the tranquillity of the Algarve countryside and the regions most prestigious beaches and golf courses, this extraordinary luxury villacurrently under constructionis a unique property that combines contemporary architecture, privacy and a sophisticated lifestyle.

- The villa is being sold at its current stage of construction.

Set on a 3,000 m² plot, this residence has been carefully designed to provide a living experience of excellence, elegance and exclusivity.

The modern architecture stands out for its minimalist lines, spacious interiors and impressive glazed surfaces, which flood the house with natural light and create a seamless connection between the indoor and outdoor spaces.

The villa features five luxurious suites, designed to ensure maximum comfort and privacy. One of the suites is located on the ground floor, whilst the others occupy the first floor. On the ground floor there is also an office with an en-suite bathroom, ideal for those who value a quiet and functional workspace.

The living area has been designed for entertaining and relaxation. The open-plan kitchen blends seamlessly with the dining room and one of the spacious living rooms, creating a sophisticated and welcoming atmosphere with direct access to the terrace and swimming pool. A separate pantry and laundry room add to the functionality of this space.
