

Land For Sale in São Brás de Alportel

Ref: P55

Plot of land located in an urbanised area to be restructured, with a total of 2840 m². Access to the plot is via a tarmac road with little traffic.

According to information from São de Alportel Town Council, there is the possibility of building two semi-detached houses, each up to 450 m², giving a total floor area of 900 m².

The land is in decline and offers fantastic views over the surrounding area full of cork oaks and pine trees.

This plot of land is ideal for those looking for a refuge in the middle of the countryside and who are looking for complete relaxation, surrounded by nature and tranquillity.

Very well located, this plot is just a 15-minute drive from the centre of São Brás de Alportel, close to all kinds of shops and services, such as restaurants, supermarkets, pharmacies, a health centre, schools and public services.

Take the opportunity to visit this property and experience nature to the full.

Excluded from the SCE under Decree-Law 101-D/2020 of 7th December.

This property is presented by Quintas&Casas, voted the best boutique property agency in Portugal in 2024.
